

**The Parker County Platting Office has compiled a list of all subdivisions with various information to assist anyone who has an interest in locating to Parker County.**

Each Commissioner of Parker County is listed along with the telephone number. Also, the Parker County Appraisal District's web address is listed along with contact information for the Parker County Clerk's office.

Listed below is a brief description of each category.

**1. Name of Subdivision**

All subdivisions of Parker County beginning in the 1800's thru present day are listed in alphabetical order.

**2. Plat**

All plats that are filed with the County Clerk are given a cabinet and sleeve number (example: C123) which signifies how the plat will be filed in the plat cabinets.

**3. PCAD**

PCAD is an acronym for Parker County Appraisal District which assigns a five (5) digit subdivision prefix number to each individual subdivision (example:10015 is the five digit prefix for AB Cinema Subdivision). Contact the Parker County Appraisal District at their web address for complete instructions on how to utilize this information to its full capacity.

**4. City Limits**

This category identifies subdivisions that are located within a city. This is essential because rules and regulations within a city vary from county regulations.

**5. SCHL**

SCHL identifies the school district in which the subdivision is located. Knowing the school district enables an individual with children to research the school scholastically, etc.

**6. Precinct**

January 20, 2010  
Page Two

There are four (4) precincts in Parker County. This outlines the portion of the county that are assigned to each Commissioner. Each Commissioner is responsible for maintaining

the roads, serving on the Commissioners Court, etc. If you have specific questions about the location of a subdivision, contact the precinct number indicated above.

**7. Street Location, City Address, Zip Code**

These categories identify a street or road within the respective subdivision. These addresses (street or road, city, zip code) can be utilized with a GPS system for directions to the subdivision.

If you should have any questions or desire additional information, please contact me at 817-598-6013.

Sincerely,

Leslie Coufal, Plat Coordinator
